

### **MEDIC First Aid®CarePlus CPR and AED**

The MEDIC First Aid®CarePlus CPR and AED course is designed specifically for individuals, and is an excellent choice for both the community and workplace setting. This extremely flexible program will help prepare individuals to respond to a cardiac arrest and choking. This program conforms to the 2015 AHA Guidelines Update for CPR and ECC.

#### Initial Training and Pricing:

- Adult, Child, and Infant: 2-3 hours—Cost \$55.00 per person and includes link for course work, Instructor lead skills training and training materials.
- Child and Infant only: 1.5 – 2.5 hours—Cost \$50.00 per person and includes link for course work, Instructor lead skills training and training materials.
- Adult only: 1.5 – 2.5 hours—Cost \$45.00 per person and includes link for course work, Instructor lead skills training and training materials.

### **First Responder Swimming and Water Survival Course**

2nd Edition (2018 Update)

© 2012 by South Carolina Public Safety Divers International  
All rights reserved-Originally developed 1995

This course is designed to train Public Safety Personnel in Swimming and Water Survival while in full uniform. The students are required to conduct the training in their standard uniform and duty belt (**Law Enforcement option**) with similar equipment and weighted. The student, while on duty, may be required to assist in an emergency situation when time is critical.

The student will also be trained in the use of Throw-Bags, PFD use, Basic Surface Rescue Swimming, etc., with an optional module of Apprehending suspects in the water.

### **PSD Level 1-Recreational to Public Safety Diving**

2nd Edition (2017 Update)

© 2012 by South Carolina Public Safety Divers International  
All rights reserved-Originally developed 1995

This course is designed to teach a "Recreational Diver" in Professional Public Safety Diving Surface Support Techniques (Basic Open Water Certification Available at an additional cost). ALL dive team members must attend surface support/tender course regardless of "Recreational Scuba Skills Level"

#### **Sample Course Topics:**

- Recreational versus Public Safety Diving
- Recommended/Mandatory Standards/Training
- Building the Team/Being on the Same Page
- U. S. Federal/State/Local Regulations (General)
- Team/Tender/Diver Safety
- The Tenders Job/Responsibilities
- Tender to Diver Communication (Line/Electronic)
- Emergency Procedures/Safety Diver Zip Line™©

**None of these courses are "Recreational" scuba programs turned into Public Safety Diving; these are "Professional Public Safety Diving Programs"**

### **PSD Level 2-The Essentials of Public Safety Diving**

2nd Edition (2017 Update)

© 2012 by South Carolina Public Safety Divers International  
All rights reserved-Originally developed 1995
